

Insta Grains[®] Reduced Cook Time Ingredients

Insta Grains[®] ingredients are healthy grain ingredients that have been minimally processed to develop a reduced cook time. That saves you the process of soaking or precooking grains for your baked good, cracker, snack food, soup mix, dry blend and other healthy food product. Simply incorporate Insta Grains[®] ingredients into your dough or dry mix for natural, healthy multigrain goodness and enhanced eye appeal.

Benefits	Applications
Natural, Healthy, Kosher, non-GMO, trans fat free, low fat	Multigrain Baked & Extruded Foods
♥ Whole grain ingredient	Bars
Formulate with one, blend several or let us blend for you	Breadings & Coatings
Low micro counts; highly digestible	Cereal & Granola
Rapid moisture absorption; extended shelf life	Corn Snacks
Incorporate directly into dough mix—no soak or pre-cook necessary	Pizza Crust Tortillas
No enzyme activity	Sauces Gravies Soup Mixes
