

Roasted Grain Ingredients

Briess carefully roasts raw, whole grains to develop robust to intense roasted flavors, colors and aromas. The roasted flours and particles provide food developers with an expanded toolbox of unique, natural ingredients that deliver flavor and color to foods like gravies, roux, dry blends, seasoning mixes, tortillas, corn snacks, pizza crust, baked goods, tea and coffee.

Benefits

Natural, Kosher, non-GMO, trans fat free, low fat
 ♥ Whole grain ingredient
 Rich flavor and color
 Healthy
