

MALTED MILK POWDER

Sweet malty flavor and creamy mouthfeel

NATURAL SWEETNESS... WITH A NOSTALGIC TWIST

Experience the carefree days of soda fountain jerks serving up creamy thick malted milk shakes by formulating Briess Malted Milk Powder into your dairy beverage, confectionery, ice cream, dessert or sweet snack. Malted milk lends depth of flavor, subtle malty notes and rich creaminess to confections and beverages alike.

Briess manufactures malted milk in a state-of-the-art, fully automated, certified plant using only Briess malted barley, wheat, milk, bicarbonate of soda and salt. Vertical integration assures complete quality control from beginning to end, consistently rich flavor, and dependable availability.

Briess is North America's leading producer of malted milk powder. For samples and more information, contact Briess today.

THE ULTIMATE MALTED MILK SHAKE

- 4 generous scoops premium vanilla ice cream
- 2 tablespoons Briess Malted Milk Powder
- 1/2 cup fresh milk

Blend, top with a dollop of whipped cream and a cherry. For variety add 2 tablespoons of chocolate syrup, a few fresh strawberries or your favorite fruit or marmelade before blending.
